BASIC LIFE SUPPORT, FIRE SAFETY & DEFENSIVE DRIVING

At Jaffer Group, SAFETY is one of the most important core values. The Group continues to take initiatives to conduct awareness sessions to effectively deal with safety and security emergencies.

In line with the SAFETY value, the HSSE department conducted training sessions for HEIS field teams on Wednesday, January 26, 2022, at the Jaffer Agro Services Multan office. The sessions were conducted by Mr. Waqar Ali Soomro – Group Senior HSSE Officer who has trained over 300 employees since November 2021.

The workshop covered Rescuer Basic Life Support (BLS) Sequence, Cardiopulmonary resuscitation (CPR) techniques for different age groups including infants, children, and adults, recognition of signs for CPR, and choking relief for different age groups. The session also addressed the chemical reactions of FIRE, and the usage of Fire Extinguisher with practical demonstration. Safe driving techniques, pre-start checks, adverse weather conditions, and traffic laws were also discussed.
