INDUSTRY BY MANITOU:

A COMPREHENSIVE HANDLING OFFER FOR MOST OF YOUR NEEDS!

Material-handling partner

MANITOU offers a comprehensive range of handling solutions with service lines focused on your primary uses: warehouse equipment, industrial and semi-industrial forklifts, truck-mounted forklifts, access platforms, etc.

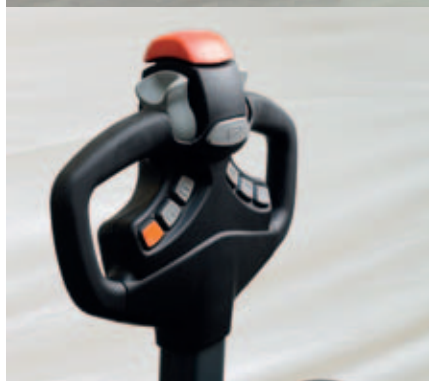

Manitou's comprehensive range meets the needs of a large number of sectors as diverse as manufacturing, equipment distribution, foods industries and waste management.

Over 40 years of innovation

For decades, MANITOU has been investing heavily in research and development to offer its markets specific answers and innovative solutions. Backed by this spirit of innovation, all Manitou product lines incorporate the latest design features and technology to facilitate ease of use for maximum productivity, while keeping one step ahead of the needs and directions of the most competitive markets.

A 100% handling network

When you choose MANITOU, you can count on the professionalism of a leading handling network. You can rely on efficient and quick service: part delivery within 48 hours worldwide, customised or contract maintenance, advice on how to maximise your equipment, etc.

MANITOU RELATED SERVICES:

A COMPLETE RANGE OF MAINTENANCE AND FINANCING SOLUTIONS TO SIMPLIFY YOUR DAILY WORK!

Optimal maintenance

For greater peace of mind, let the specialists take care of maintaining and monitoring your handling equipment!

- Your machinery is maintained by technicians trained regularly in MANITOU technology and equipment.
- From preventive maintenance to our Full Service contract, you choose the solution that best meets your applications and needs.
- The MANITOU dealer will insure your equipment is professionally maintained to maximise productivity and protect your investment.

Simple financing solutions that are suited to your needs

Do you need a simple way of keeping your budget under control? Choose one of the financing solutions proposed by the MANITOU network.

- Your lease payments are fully deductible and the financed equipment does not appear on your balance sheet.
- You protect your borrowing capacity for other investments.
- Our Full Service financial leasing contract includes the financing and full maintenance of your equipment. This means you can manage your budget!

Extended warranty

We can also offer you an extended warranty for your equipment.

- MANITOU covers the costs of repairs required for faulty parts and manufacturing defects.
- You thus avoid unexpected costs for major repairs.
- Combined with a preventive maintenance contract, the warranty extension gives you improved control of your maintenance budget.
